

R World Energy Conservation & Renewable Solutions

Energy Services

Energy Survey, LEED Training, Certification, Consulting
and LED Lighting Engineering

Energy Conservation Products

Energy Efficient Lighting (all USA made or designed)

LED Interior Tube & custom application

LED Exterior, High Bay & High Mast

LED PAR, MR, R, GU and Array G4

SmartPOD High Efficiency Lighting

Inductive Lighting

WattStopper Digital Lighting Mgt

GESPER SPD Type 4- Surge & Quality System

Powerboss-Intelligent Motor Control

HVAC Conservation

Smartcool- HVAC Compressor optimizer

EffTrack Chiller Optimization Package

Thermonomics

Evaporator Fan Controller (works w/ Smartcool)

Energy Software

EffTrack Chiller Optimization Software and Monitoring Services

iEnergyIQ Energy Analytics, Mgt.& Load Control Sys.

Renewable Energy

*Site surveys, Building Permits, Ordering Product, Installing System &
Finalizing Paperwork for Rebates*

Vertical Axis Wind Turbines

PV Solar

Cogeneration/ Combined Heat & Power
